

MOVE WARD

Healing through the shared experience of suicide loss

Move 4ward is a support group for anyone over the age of 18 impacted by suicide loss. This group provides a safe space for loss survivors to connect with a community of their peers, share stories and insights, process grief and find solace with those who have also experienced this complex type of loss. This connection can help reduce the feelings of shame, isolation and stigma while offering hope and support through the grief journey.

**Please join us for this in-person meeting
on the second Saturday of every month, from 10:30 AM - 11:30 AM
at 46 Park Street, Framingham, MA 01702**
