Murder-Suicide Support Group Featured on WCVB

Jessica Brown, NewsCenter 5 Anchor/Reporter, sat down with group facilitator, Jenna Howe, to hear her story and learn more about our in-person group for adults 18+ impacted by murder-suicide loss or an attempted murder-suicide. The group meets on the last Saturday of every month.

Contact Jenna Howe at jennah@mass211.org to learn more and to register.

Suicide Prevention Awareness Month

We supported several community events throughout September. When we come together and talk openly about suicide and its impact, we help normalize the conversation and influence change.

Pinwheels for Hope, Natick Days, and *Shattered Ice* Film Screening.

648 pinwheels were installed on the Framingham Common in memory of the lives lost to suicide in Massachusetts in 2024. **A Field of Remembrance. A Community of Hope**.
Shattered Ice is a powerful award-winning film that follows a New England high school hockey player as he navigates life after losing his best friend to suicide. Following the screening, guests took part in an important panel discussion exploring mental health and suicide prevention.
